# Curriculum Vitae Brian Thomas Graves PhD, RN, ACNP-BC

University of South Florida 12091 Bruce B. Downs Blvd., MDC22

Tampa, FL 33612-4766 Work: 813.974.8054

Email: bgraves1@health.usf.edu

#### **EDUCATION:**

University of Rochester School of Nursing, Rochester, NY 14642

PhD, Health Practice Research Date of graduation: May 19, 2012

University of Rochester School of Nursing, Rochester, NY 14642

Acute Care Nurse Practitioner Masters Program

Date of graduation: January 3, 2001

New York State Registered Acute Care Nurse Practitioner, February 26, 2001;

NYS License# F-430128-1

FL ARNP License# ARNP9359509

ANCC Board Certified as an Acute Care Nurse Practitioner, April 1, 2002;

**Certification # 0365827-28** 

University of Rochester School of Nursing, Rochester, NY 14642 Bachelor of Science in Nursing, magna cum laude, May 26, 1996 GPA: 3.74; Deans list: Fall 1994, Spring 1995, Fall 1995.

New York State Registered Nurse as of September 25, 1996; License # 484793-1

Hartwick College, Oneonta, NY 13820

Bachelor of Arts in Biology, Minor in Chemistry, Departmental Distinction in Biology, cum laude, May 24, 1992. GPA. 3.48; Deans List: Fall 1989, Spring 1991, Spring 1992.

## **PROFESSIONAL EXPERIENCE:**

#### University of South Florida College of Nursing, Tampa, FL 33612

Clinical Instructor

2012 – present Assistant Professor

Assistant Dean, Master's Program

8th largest University in the United States. 656 Master's students enrolled across ten advanced practice and nurse

practitioner programs. Supervise 13 faculty and three staff members.

# University at Buffalo, State University of New York, School of Nursing, Buffalo, NY 14214

2006 - 2008 Adjunct Assistant Professor 2004 – 2005 Clinical Assistant Professor

Course development & instruction of critical care medicine content for the Acute Care Nurse Practitioner Masters and Advanced Certificate (Post Masters) Program's.

2001 - 2004

#### PROFESSIONAL EXPERIENCE cont.:

#### University of Rochester Medical Center & School of Nursing, Strong Memorial Hospital, Rochester, NY 14642

2009 - 2012

Lead Inpatient Clinical Architect / Application Coordinator for Computerized Provider Order Entry URMC eRecord Project (Implementation of Strong Memorial Hospitals [University Hospital] and Highland Hospitals [Community Hospital] Electronic Medical Record)

Senior Teaching Associate School of Nursing

Fifty-four plus million dollar implementation impacting over 10,000 end users at two hospitals.

Responsibilities include the management of two uniquely different teams concurrently, one consisting of physicians and nurses (Clinical Architects) and the other consisting of analysts. The Clinical Architect group is the primary clinical design decision body and translates clinical requirements to the build team. Additional responsibilities include public relations, vetting of clinical workflows and clinical content, addressing patient safety and quality issues/benefits, financial incentives, culture change, and anxieties that coincide with a project of this magnitude. Moreover, lead the design for compliance with the Federal American Recovery and Reinvestment Act EHR Meaningful Use. Finally, involved daily in moving an agenda forward, problem solving, addressing a wide range of concerns, negotiating compromise, and crisis management.

2006 - 2009Director, Acute Care Nurse Practitioner Program

Associate Director, Center for Simulation and Education Technology

Senior Teaching Associate

Acute Care Nurse Practitioner / Internal Medicine Hospitalist

Independently practice as part of an interdisciplinary internal medicine hospitalist team responsible for a large adult acute care medicine inpatient service.

2008 - 2009Clinical Transformation Project Provider Advisory Committee / Information Systems Division

> Represented 600+ nurse practitioners and physician assistants within the University of Rochester Medical Center and Highland Hospital on the evaluation and implementation of a new acute and ambulatory electronic medical record (eRecord Project).

2000 Adult Nursing Services Clinical Resource Nurse / Service Nurse Leader

> Provide comprehensive clinical, educational, and leadership support for all inpatient adult nursing services, including the intensive care units, emergency room & post anesthesia care unit. Other responsibilities include Medical Emergency Response Team, Code Team, performance improvement, continuing education, and development of new evidence based protocols for patient care.

Registered Nurse, Surgical / Transplant / Neurosurgical Intensive Care Unit

14-bed unit specializing in the care of pre & post surgical / transplant, critically ill patients.

Charge Nurse - Public relations, shift assignment, patient admission & discharge management, unit staff supervision -RN's, PCT's, & secretarial staff.

Registered Nurse - Specialized training includes ICP monitoring, hemodynamic/cardiac monitoring, Vassopressive / antiarrhythmic medication administration, Swan-Ganz & CCO/SVO2 Swan-Ganz catheter management, mechanical ventilation, conscious sedation / induced paralysis management, CVVHD, cardiac pacing, Advanced Life Support, liver transplantation committee, standards of practice committee, equipment committee, new hire orientation preceptor, student preceptor.

1996 - 1997 Registered Nurse, Surgical Urology / Transplant Unit

> 25-bed unit specializing in the care of patient's pre & post kidney, pancreas, liver, & small bowel transplantation in conjunction with the care of patients pre & post urological and general surgical procedures.

Charge Nurse - Public relations, shift assignment, patient admission & discharge management, unit staff supervision -RN's, PCT's, & secretarial staff.

Registered Nurse - Total patient care & care planning, discharge planning, education, medication administration, tracheostomy care & suctioning, chest tube management, discharge planning, wound care, Pyxis 2000 training team, journal club, & quality assurance committee.

2001 - 2012

1997 - 2000

## PROFESSIONAL EXPERIENCE cont.:

#### University of Rochester Medical Center & School of Nursing, Strong Memorial Hospital, Rochester, NY 14642

1996 Clinical Research Nurse Coordinator, Department of Medicine / Infectious Disease

In collaboration with the Department of Nephrology, coordinate & implement a multi-site Hepatitis-B vaccination study among Rochester's hemodialysis patient population. Nursing responsibilities include patient & study management,

assessment, charting, phlebotomy, vaccination, interpreting & analyzing data.

1996 Emergency Department Nursing Practicum, Strong Memorial Hospital Emergency

Department (Level I Trauma Center)

Under the supervision of an RN preceptor, performed all of the duties and responsibilities of an emergency department nurse. The experience includes rotations through acute, non-acute, triage, and pediatric emergency department units. 140+

working hours.

1992 - 1996 Laboratory Technician III, Department of Medicine / Infectious Disease

Gravimetric analysis experiments, tissue culture, statistical data analysis, inventory & data record keeping, ordering of

laboratory equipment & supplies.

Research focus: Vaccine for Dengue Virus & Pneumococcal Vaccine Serology.

1991 Donald L. Shapiro Summer Scholar, Strong Children's Research Center, University of

Rochester Cancer Center, Division of Pediatric Hematology / Oncology

Studied the use of systemic intraarterial bone marrow transplantation via the left cardiac ventricle of lethal total-body irradiated mice as a means for a faster and safer engraftment & recovery of the hematopoietic-immune system. Data

presented in a poster presentation.

#### **CERTIFICATIONS:**

2013 TeamSTEPPS Master Trainer

2002 - present ANCC Board Certified Acute Care Nurse Practitioner 1986 - present American Heart Association Certification: BLS / ACLS

# **AWARDS:**

2012 University of Rochester Meliora Award (eRecord Project Team)

The Meliora Award recognizes a select number of staff members whose work performance and dedication during the preceding year exemplify the University's motto, Meliora (ever better).

2011 URMC Board of Directors Excellence Award (eRecord Project Team)

One of the highest honors given to faculty and staff who work at Strong Memorial Hospital. The award recognizes those who have demonstrated outstanding commitment to quality care, and is a testament to the recognition among URMC leadership of the valuable role each and every employee played in

successfully implementing the Medical Center's largest operational project to date.

2008 Katharine Donohoe Scholarly Practitioner Award

Presented to a doctoral student, prepared as a nurse practitioner, who has undertaken research focused on

improving the well-being of the population they serve in practice.

2000 Eleanor Hall Award, University of Rochester School of Nursing

Awarded to an outstanding student enrolled in the master's program who demonstrates the ability to work with others, to inspire and to listen, and to be a leader with integrity. The awardee is a curious, perpetual learner who demonstrates creativity and innovation while maintaining high standards and

consistency in performance.

1996 Percy Dutton Prize Recipient, University of Rochester

Awarded by the University of Rochester faculty, staff, and students to a male member of the graduating class whom has excelled in "wholesome, unselfish and helpful influence" among his fellow students.

## **HONORS:**

2003 Who's Who in Health Sciences Education, University at Buffalo

2001 Who's Who Among Students in American Universities & Colleges

Nominated by the University of Rochester School of Nursing

# PROFESSIONAL MEMBERSHIPS AND ACTIVITIES:

1998 – 2012 American Association of Critical-Care Nurses

2012 – present National League of Nursing

2001 – 2009 National Organization of Nurse Practitioner Faculties

1996 – 2011 Sigma Theta Tau International, Inc. Honor Society of Nursing. Epsilon Xi Chapter

2000 – present Society of Critical Care Medicine

## UNIVERSITY OF SOUTH FLORIDA COLLEGE OF NURSING SERVICE:

2013 Program Goals Task Force, Co-Chair

2012 – present DNP Continuous Improvement Project Report Task Force

2012 – present DNP Curriculum Task Force, Co-Chair

2012 – present College of Nursing Evaluation Task Force

2012 – present Faculty Search Committee

2012 – present Masters Curriculum Committee, ex-officio

2012 – present Student Affairs Committee, ex-officio

# UNIVERSITY AT BUFFALO SCHOOL OF NURSING SERVICE:

2004 Grievance Committee

2004 Pathophysiology Task Force

2003 Genetics Sub-committee Co-chairman

2001 – 2002 Nominating Committee

## UNIVERSITY OF ROCHESTER SCHOOL OF NURSING SERVICE:

2010 – 2012 Clinical & Translational Science Institute (CTSI) eRecord Research Steering Committee

2012 CTSI Governance Implementation Group

2008 Ad Hoc Academic Dishonesty Committee

2006 – 2009 Masters Sub-Committee

2006 – 2009 Masters Comprehensive Exam Committee

Last updated 8/23/13

#### **RESEARCH:**

2012 Dissertation: Multilevel Modeling of ARDS Mortality, University of Rochester School of Nursing.

## **COMPLETED RESEARCH:**

- Estrogen and the Pathophysiology and Outcomes of Sepsis. Co-Investigator with Anthony Pietropaoli, MD, Primary Investigator, University of Rochester Medical Center.
- Determine whether the use of a computer controlled simulation mannequin is an effective tool to teach Acute Care and Adult Nurse Practitioner students basic analytic, evaluative, and psychomotor skills needed to manage a critically ill patient. Co-Investigator, University at Buffalo School of Nursing.

## **FUNDING / GRANTS:**

Health Resources and Services Administration Grant (U1KHP18286-02000), *Integrated Technology into Nursing Education and Practice Initiative*. PI: Rita D'Aoust, PhD. Role: Faculty / Investigator.

Awarded \$1.2 Million. Award period, Oct. 2011 – June 2015.

#### **HISTORICAL FUNDING / GRANTS:**

- Sigma Theta Tau International Honor Society of Nursing Epsilon Xi Chapter \$2,500 Research Award for Doctoral Dissertation work titled: Multilevel Modeling of Clinical Predictors of Mortality in Adults with Acute Respiratory Distress Syndrome utilizing the Project Impact Critical Care Medicine Dataset
- AACN Philips Medical Systems Outcomes for Clinical Excellence Research Grant, \$10,000, for Doctoral Dissertation work titled: Multilevel Modeling of Clinical Predictors of Mortality in Adults with Acute Respiratory Distress Syndrome utilizing the Project Impact Critical Care Medicine Dataset
